Dear Mr. Kidwell:

As indicated in my letter to you of May 1, we are preparing a shipment of approximately 2,000 books for the Owens Valley Reception Center, Now before having the books packed, I need to know if you are really expecting them. I also need to know what plans will be made for their transportation, as it would not be possible for us to prepay the cost.

Several other librarians are inquiring of me what your book needs are, and it would be helpful to have a report that might be passed on to them at a meeting which will occur Sunday, May 24th. I should, however, have your answer by the 22d.

Very truly yours,

Helen E. Vogleson
